**Subject:** Time extension for submitting Rosebud Review (M/003/026)

I received a phone call today from American Stone, Inc with regards to the Rosebud Quarry Review. Our cover letter requested a response by February 28, 2000. As pointed out in the phone conversation, the Cotton Thomas review is due February 29, 2000. American Stone requested a 2 - 3 week extension for submitting the Rosebud response. I approved the requested extension for the response to March 13, 2000.
